NEWSWIRE

March to Launch update

Kirk of Kildaire communication: Last week, a few of our Kirk of Holly Springs team participated in serving lemonade and cookies after the first summer 10am service at the Kirk of Kildaire. It was an opportunity for us to not only provide information about who we are, but also to extend invitations to visit and find ways to support our “March to Launch”. In addition, Dave Yow provided more insight during the 10am service’s “Minute for Mission” and invited regular KOK attendees to “try us out” this summer. Thanks to those who helped last Sunday!

Publicity: We will also be looking at options for improving the signage about our Sunday worship service that is placed at the corner of Main and 3rd Street each Sunday morning. We are leaning toward getting a durable sandwich board with messaging on each side. We'd like to place temporary signage more in advance than the day before, but there are town restrictions that keep us from doing so. Contact Jeff Gross if you have any further ideas.

Visitor focus: As summer begins and vacations and other demands pull for our attention, please make every effort to attend our Sunday worship service if at all possible. As we've now asked for KOK regular attendees to come visit, and with potential new visitors during the summer, we'd like to continue to provide an accurate presentation of our congregation. In addition, please also come a bit before 9:45 a.m. if you can to help welcome any visitors.

Strategic Planning update

Pastoral Leadership: Members of the Leadership Team have had conversations with Rev. Ted Churn, Ex. for the Presbytery, and Rev. Jody Welker (Kirk Pastor) about next steps in our journey as a Church which includes consistent pastoral leadership. We believe that we are at the point in time now that we have made the transition to new facilities to move forward in this area. This week, we are sending a letter to the Church Development and Evangelism Committee for the Presbytery asking that we be considered for financial resources to help with this. More to come!

Focus on Youth and Education: A major item for our Launch agenda is to create and organize to support youth and education. The first step in this endeavor is to be able to provide some type of nursery during our 10am worship time. We have received permission from the UCC to convert the room we are currently using for storage into a nursery. Efforts will begin to make this happen. Our materials that have been stored in that room will be moved to another location in the Church. If you'd like to help out with this please contact Lane Yow.

Spiritual Growth and Guidance: As we continue on our journey, our direction and purpose is and should be guided by God. All of us have been very focused on executional things over the last year and a half (Worship services, Fellowship events, etc) and it can be easy to loose sight of what's really important. Rev. Ted Churn has made a number of books available to us about new church development and strengthening of spiritual discipleship. If you would like to find our more about what is available for loan, please let Mary Bethel know.
